Today's Sermon

Baby...You're No Good

1 John 3:19-24

Norm Schwab, Lead Pastor

What is the cure for my condemning heart?

1. God's grace is greater than my sin and shame
2. God's perspective is greater than my condemning heart
3. God's truth is greater than my condemning heart
4. God's presence is greater than my doubt and fears

Next steps:

- What sin or past failure is your heart most likely to condemn you this week? What assurance can you find in verses 19-24?
- Each time before you pray this week, preach to yourself recalling the truth of who you are and who God is.
